Hanover Township to host Veterans Resource Fair

Hanover Township and State Senator Cristina Castro will hold their annual Veterans' Resource Fair on Wednesday, November 4, from 12 p.m. to 3 p.m., at the Township Senior Center, 240 S. IL Route 59 in Bartlett.

"This is a great opportunity to learn about local resources for veterans in regard to benefit assistance, in-home care, and discounts on services," said Brian P. McGuire, Hanover Township Supervisor. "I encourage all vets and their families, from across the service branches, to come out to the fair."

Veterans, their families, and caregivers are invited to attend and speak with dozens of representatives from service groups, local businesses, non-profit organizations, and more, regarding benefits and services for veterans.

"Veterans put their life on the line to serve and protect each and every one of us. We have the responsibility to ensure their transition to civilian life is as smooth as possible," said State Senator Cristina Castro (D-Elgin). "Events like this one give veterans the opportunity to learn about resources and connect with agencies that may be able to assist them."
